

# Leesburg Police Citizens Support Team

## Monthly Newsletter January – April, 2019

### Martin Luther King March, January 19

Very cold, windy day! Steve Hood (ST-4) assisted Leesburg Police officers in traffic control for this annual event. Steve covered the Harrison Street - East Market Street intersection. Due to the cold weather, marchers were nearly double-timing and the procession reached the Douglass Community Center within 20 minutes of the march start.

### Douglass Elementary School PTA Spring Festival, March 9

With the help of Leesburg Police Officers Lotz and Hackney, who transported the barrel train to this school event, Support Team members Jan Hepburn, Ray Delpesche, and Steve Hood gave rides to the many children attending this event!

### Support Team Recognized by Leesburg Town Council

On April 9, Mayor Kelly Burk and the Leesburg Town Council recognized the Leesburg Police Citizens Support Team, Inc. for their volunteerism and years of service to the community with a Proclamation celebrating National Volunteer Week. Team President Ray Delpesche accepted the proclamation while Team members Maggie Longhurst, Chris Miller, and Steve Hood looked on. Thank you!

### Leesburg Flower and Garden Festival, April 27 & 28

Big crowd, gusty winds! Support Team members provided foot patrol at this event. Raymond Delpesche, Maggie Longhurst, Chris Miller, Deb Walczak, Jan Hepburn, and Greg Clark provided the extra eyes and ears to assist in helping keep this event safe. During the event, Jan and Maggie were approached by a citizen who had found a woman's purse in a trash can. Jan and Maggie took the purse to Leesburg police officers at the gazebo and the rightful owner of the purse was found.
