### PREZ SEZ

The "Prez" is recovering from surgery, so your newsletter this month is being penned (typed?) by your Training Officer. We wish Sandy a speedy recovery and hope to see her back in Support Team service soon.

What a winter! Fortunately I missed the second big snow of the winter season this time (the first bring the one I got stuck in back in December). I hope you all fared well through that ordeal.

Spring is here and the event calendar is rapidly filling. April through June looks very busy, indeed. Pat Edwards is trying hard to keep up with all the new calendar events arriving almost daily and making changes to the ones added the days before. We will need all the help we can get from Support Team members to assist the Town and the Police Department in making these successful and safe events. PLEASE review the list of items Pat has sent to you or will provide you at our April 1<sup>st</sup> meeting and volunteer for some portion of the time for some of these events. WE NEED YOUR HELP!

### Support Team Members Help at Town Easter Egg Hunt

Deb Walczak (ST-7) and Steve Hood (ST-4) donned cold weather coats and gloves and assisted Officers Chris Tidmore and John Pearson with traffic control, field parking, safety patrol, and map direction-giving at the annual Easter egg hunt, March 27, at Ida Lee Park. The event was very well attended, with hundreds of cars filling nearly 2/3 of the large field at Ida Lee. A successful and safe event, thanks to the Officers and STs.
