

# Leesburg Police Citizens Support Team

## Monthly Newsletter July, 2011

### Prez Sez

I would like to thank everyone who turned out for the last Support Team meeting to vote in our yearly election and I would especially like to thank Sandy Kane for serving as our Team President for the past two years. Sandy worked many hours behind the scenes keeping Team business accomplished and that's no small task, believe me!

I appreciate the trust the Team has put in me to take the Team on forward for the next year. I promise to do the best I can to increase the size of the Team and put us in an even better position to do more for the Town of Leesburg. However, as Team members, each of us should be on the lookout for potential, new members and be ready with our 30 second "elevator speech" to quickly explain what the Team does and how we can do more for the Town with additional membership.

The summer months are here, perhaps not so much according to the calendar, but according to the number of events on OUR calendar! We need your participation as volunteers at these events. Please check in with Sandy Kane, our new Vice President, and sign up for those events that fit your personal calendar.

**Please try to attend the July 7 meeting as we will need your vote on a new Support Team applicant, Kasey Hargan!**

### Your New Support Team Officers for 2011-2012

President: Stephen Hood

Vice President: Sandy Kane

Secretary-Treasurer: Vicky Petty-Nawrath

Logistics: Deb Walczak

Training: Ron Leetch

## Community Event for Charity, June 11

Team members Steve Hood and Raymond Kirkpatrick started this event out early in the morning with the barrel train and a child DNA kit and safety information table. At noon, Steve had to leave, but Lora Tacey and Bert Stewart took over the info table as Raymond continued to give excited kids rides on the barrel train until mid-afternoon. Thanks to those Team members who served at this event!

“Engineer Raymond” and the Barrel Train

## Support Team Participates in NAACP Health Fair

Support Team members Sandy Kane, Vicky Petty-Nawrath, Maggie Longhurst, and Steve Hood rounded up the DNA kits, safety information, and goodie bags for kids and set up an information table at the first annual NAACP Health Fair, June 25, at the Ida Lee Recreation Center. Teamed up with Officer Chris Tidmore at an adjoining table, the ST members passed out safety information and DNA kits to parents and made children smile with the goodie bags they received.
